»»» MOVING ON UP

Congrats Isabelle!

Isabelle entered CCMEP in September of 2022 as a 22yo single mom. She also had STNA and PCA experience. With these in demand certificates under her belt, she had been consistently employed for some time but, recently lost her job. Her Case Manager advised her to dedicate 4 days to Best Life. Isabelle was pleasantly surprised at the great things she learned in the program and has already started working at Harmony Court as an STNA.

Congrats Tania!

Tania has enjoyed her experience with CCMEP and recently started a training program with Lift the Tristate. She enjoys the work she is doing, it may be hard, but she loves it! The team at Lift the Tristate is nice and respectful. She is enjoying taking logistics classes and hopes to get a great opportunity in logistics after completing her studies.

Congrats Kamyia!

Kamyia started with CCMEP in February of 2023 and recently completed her Best Life training. In December, Kamyia accepted a full-time job with Harmony Court Nursing Home, where she will also have the opportunity to train for her company-paid STNA certification. She is currently a nursing student working towards getting her Associates degree in nursing at Good Samaritan's College of Nursing.
