

## **Double Your Donation**

When you make a tax-deductible gift YOUR Community Action Agency, you have the potential to double or even triple the value of your gift through your employers' matching gift program.

Many employers sponsor matching gift programs and will match any charitable contributions made by their employees. To find out if your company has a matching program, please contact your human resources or corporate giving department. If applicable, request a matching gift form from your employer; complete, sign and return it with your gift. We will do the rest.

If you would like additional information on making a tax-deductible gift to YOUR Community Action Agency or have any questions, please email [Amanda Jenkins](mailto:Amanda.Jenkins@caacincinnati.org) or call 513-924-2018. Thank you for your support!
