LET'S CONTINUE THE MOMENTUM.

In November 2019, 77% of Cincinnati voters voted for Issue 22, which was the first step towards revamping our transportation infrastructure. On March 17, we can vote to finish the job.

THE **MOVE FORWARD** PLAN:

More Bus Routes – 8 new routes, crosstown routes, and Bus Rapid Transit corridors.

More Frequent Buses – 26 Routes with more frequency and service every 20 min. or better on major routes.

Longer Service Hours – 6 Routes with 24-hour service and more weekend service.

Major infrastructure improvements – including \$1.1 billion in road and infrastructure projects overlapping transit routes.

Much needed bridge repair – including the Western Hills Viaduct and more than 30 outdated bridges across the county.

Shorter, safer commutes – With repaired roads and 343,326 jobs accessible via 24-hour bus service.
